- Wrestling is a great sport for youth as it builds self-confidence, a strong work ethic, and discipline. Wrestling is a complimentary sport for athletes involved in football, soccer, cross country among others, and encourages a healthy lifestyle.

WHAT TO BRING:

- Each kid should wear shirt and shorts.
- Wrestling shoes are encouraged, but not necessary for practices. Slightly used shoes and headgear may be available – check with one of the coaches.
- A water bottle would be a good idea, water fountains are nearby.

SCHEDULE:

The season is divided into two segments:

- *Green Season* is from November 28 to February 11.
- *White Season* from November 28 to March 25.
- Tournament schedules can be seen at www.mmwawrestling.com and www.mywaywrestling.com. We will not attend every tournament but will finalize a schedule once practice starts.

- For Williamston Middle School wrestlers who are not going to wrestle any club tournaments but want to practice prior to the middle school season starting in January, there is no charge.
